

FRANKLIN M. OGOT

Philippines | +63 998 224 7695 | franklinogot11@gmail.com

PROFESSIONAL SUMMARY

eCommerce & Web Specialist with hands-on experience in WordPress, WooCommerce, and AI-powered product listing workflows. Proven ability to streamline operations using automation tools, including building a Python-based scraping system to scale product imports. Skilled in managing multi-platform listings (eBay, Poshmark, Depop) and creating high-converting web and digital assets.

CORE SKILLS

eCommerce: Nifty.AI, eBay, Poshmark, Depop, WooCommerce

Web Development: WordPress, Elementor, HTML, CSS

Automation: Python (Scraping & Data Processing), Excel

Design: Canva, Figma, Adobe Photoshop, Illustrator

Tools: ChatGPT, DeepSeek, Mailchimp, Microsoft 365

PROFESSIONAL EXPERIENCE

IT Specialist / Web Designer – Sheltowee Network, LLC | Aug 2024 – Present

- Manage WordPress websites and build landing pages using Elementor
- Upload, edit, and optimize products in WooCommerce
- List and distribute products across eBay, Poshmark, and Depop using Nifty.AI
- Built a Python scraping tool to extract product data and generate Excel files for bulk uploads
- Reduced manual listing time by automating data extraction and formatting
- Design marketing materials, email campaigns, and visual assets

Web Developer / Support Engineer / Social Media Manager – Vera Equinox Technologies, Inc. | July 2023 – Aug 2024

- Developed and maintained websites for training and business platforms
- Provided technical support (remote & onsite) and hardware troubleshooting
- Managed social media content and ran Facebook Ads campaigns
- Created marketing graphics and promotional materials

PROJECT HIGHLIGHT

Product Listing Automation System (Python)

- Built a custom scraper using AI-assisted development (ChatGPT, DeepSeek)
- Extracts product data from Nifty.AI and converts it into structured Excel files
- Enables fast and scalable product imports into WooCommerce websites
- Improved workflow efficiency and reduced repetitive manual work

EDUCATION

Bachelor's Degree – Nueva Ecija University of Science and Technology
